Scott Neitzel, Secretary  
Wisconsin Department of Administration  
101 E. Wilson St., 10<sup>th</sup> Floor  
Madison, WI 53703

Dear Secretary Neitzel,

On behalf of the Wisconsin Ethics Commission, I am pleased to submit the agency's biennial budget request for fiscal years 2017-19 for your review. The Commission's budget request complies with all provided instructions, including the requirements of 2015 Wisconsin Act 201.

In preparing the Commission's first biennial budget request, we completed a thorough review of the transition implementation plan from the Government Accountability Board to the Ethics Commission, as well as the Commission's statutory responsibilities, in order to determine the resources required to operate, and to enhance representative democracy by furthering Wisconsin's tradition of clean and open government.

This request also covers the full cost to administer the Ethics Commission's responsibilities within its adjusted base budget and without any additional requests for funding. We are also taking a fresh look at all programs and practices in order to identify ways to become more effective, efficient, and to provide the highest quality of service possible while responsibly conserving available resources.

Thank you for your consideration of the Ethics Commission's inaugural biennial budget request. The Commission and its staff look forward to working with you and the State Budget Office throughout the budget process.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Bell", with a stylized flourish at the end.

## AGENCY DESCRIPTION

The commission is comprised of six members, who serve for 5-year terms. One member is appointed by the senate majority leader; one appointed by the senate minority leader; one appointed by the speaker of the assembly; one appointed by the assembly minority leader; and two are individuals who formerly served as judges for a court of record in this state, who were elected to the positions in which they served, and who are nominated by the governor with the advice and consent of a majority of the members of the senate confirmed. A detailed description of the appointment of commissioners is provided in WIS. STAT. § 15.62. The transition plan from the Government Accountability Board to the Ethics commission put forth by the Department of Administration established a rotational term schedule of the commissioners. The commission elects a chair and vice-chair from its members by a majority vote.

The administrator serves as the agency head, and is responsible for the daily operations of the commission. The commission staff is non-partisan. The commission is responsible for the administration and enforcement of campaign finance, ethics, and lobbying laws. The agency has a staff of 4.55 GPR and 3.45 PR full-time employees.

The commission administers and enforces Wisconsin law pertaining to campaign finance, lobbying, and the Code of Ethics (Wisconsin Chapters 11, campaign finance; Chapter 13 Subchapter III, lobbying; and, Chapter 19 Subchapter III, the code of ethics). The duties of the Ethics Commission are codified in WIS. STAT. §§ 11.1304, 13.685, and 19.48.

Commission activities are arranged by five general functions: general administration; assistance to state public officials, candidates, lobbyists, principals, political committees and officeholders; assistance to local governments; education and training; and enforcement. Within these functional areas, the commission develops policy, issues formal opinions, promulgates administrative rules, prescribes procedures and forms, audits disclosure reports, carries out investigations, conducts hearings and reviews appeals, brings civil actions to assess forfeitures, and related activities.

The commission has four general program areas which are described below:

### **Campaign Finance**

Wisconsin campaign finance law requires candidates for state public office, political action committees, referenda committees, and independent expenditure committees to register with the commission, disclose campaign receipts and disbursements, and abide by certain contribution limits and prohibitions. The commission is responsible for auditing campaign finance reports and enforcing registration and reporting requirements along with limits on the source and amount of campaign funding. Information is available to the public on commission website: <http://ethics.wi.gov/campaign-finance>, and through <http://cfis.wi.gov>.

### **Lobbying**

Wisconsin lobbying law requires registration of businesses, organizations, and individuals that attempt to influence government decisions. Registrants must identify who lobbies on their behalf, issues in which they have an interest, and provide other information, all available to the public on the commission website: <http://ethics.wi.gov/content/lobbying>, and through <http://lobbying.wi.gov>.

### **Ethics**

The commission fosters ethical conduct of public officials by advising them about ethics laws and providing information about officials' financial interests to identify any potential conflicts of interest. State public officials file annual Statements of Economic Interests with the commission, and the trustees and staff of the State of Wisconsin Investment Board file quarterly reports. Information regarding the

commission's ethics-related activities is available to the public on the commission website: <http://ethics.wi.gov/content/code-ethics>.

**State Purchasing**

The Contract Sunshine program is mandated by the Legislature to allow the public to view the process state agencies use to procure goods and services from vendors. Additional information about the program is available on the website: <http://gab.wi.gov/contract-sunshine>.

## **MISSION**

The mission of the Ethics Commission is to enhance representative democracy by furthering Wisconsin's tradition of clean and open government through the administration of Wisconsin's campaign finance, lobbying, and ethics laws, and through the dissemination of information to the public.

## **PROGRAMS, GOALS, OBJECTIVES AND ACTIVITIES**

### **Program 1: Ethics, Campaign Finance and Lobbying Regulation**

Goal: Further Wisconsin's tradition of clean and open government.

Objective/Activity: Ensure the accessibility of public information regarding campaign finance, lobbying, and ethics reports filed with the commission, as well as actions taken by the Ethics Commission, by leveraging available technology, creating instructional materials, and providing assistance to candidates, committees, treasurers, lobbyists, principals, state and local officials, and the public.

Goal: Facilitate compliance with the requirements of Wisconsin's campaign finance laws, and ensure reported information is readily accessible to the public.

Objective/Activity: Maintain the Wisconsin Campaign Finance Information System (CFIS); provide training materials and assistance to committees, candidates and treasurers; promptly make reported information publicly available; and conduct timely audits of the system in order to ensure compliance with Wisconsin's campaign finance laws.

Goal: Identify interests influencing legislative activities.

Objective/Activity: Facilitate the registration and reporting requirements codified in chapter 13, subchapter III of Wisconsin Statutes regarding lobbying principals, lobbyists, and state agency legislative liaisons; provide training materials and assistance to lobbyists, principals, and state agency legislative liaisons; allow the public to readily access information regarding who is lobbying, the organizations employing lobbyists, the issues on which they are lobbying, as well their activities and expenditures.

Goal: Provide information to the public on the financial interests of candidates and state officials.

Objective/Activity: Facilitate and enforce the financial disclosure reporting requirements in chapter 19, subchapter III of Wisconsin statutes, make the information available for public inspection, and notify candidates and state officials of requests for their information.

This goal fosters the continued high standards of ethical conduct by state government officials, lobbyists, and lobbying organizations through independent investigation and reassures the public that the State of Wisconsin is equipped to redress conduct that falls short of statutorily established standards.

Objective/Activity: Investigate possible violations of the ethics code, lobbying law, and campaign finance law and seek appropriate remedies or exoneration as circumstances merit.
